

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

March 30, 1999      LB 588, 704

SENATOR CROSBY: Well, it's LB 58...LB 588, 60-4158.

SENATOR BROMM: Okay.

SENATOR CROSBY: It's, let's see, one, two, three, it's the fifth page, about one, two, three, four, five down.

SENATOR BROMM: Okay, this is, yes, that's the same thing.

SENATOR CROSBY: Okay, and then....

SENATOR BROMM: And the federal audit...the federal audit of our system required that we remove the requirement that the examiner have a CDL themselves, so that's consistent with that.

SENATOR CROSBY: And then the one just above that, the DMV now takes on the responsibility of the background checks. Who has been doing that? Within 24 hours, is that just because they changed the 24 hours or...

SENATOR BROMM: The DMV has had that responsibility.

SENATOR CROSBY: It is just that you changed the...

SENATOR BROMM: But, again, the federal audit required this language that it be done within 24 hours prior to the issuance.

SENATOR CROSBY: Okay, okay. And then one more thing at the top of that one, I think that's probably cleanup, right, the one about medical, more medically accurate series of questions?

SENATOR BROMM: Yes,...

SENATOR CROSBY: What motivates that?

SENATOR BROMM: ...we had some rather outdated questions...

SENATOR CROSBY: Okay.

SENATOR BROMM: ...in the application...

SENATOR CROSBY: Yeah. All right.
